

Hungerford Club – Indoor Sports report – A.G.M. 2024

Beer Festival

Could we start with this year's fabulous annual beer festival? Despite the rainy Saturday morning we all had a fantastic weekend, smashing last year's amount taken over the bar to pieces. A huge thank you to everyone who either helped or supported the weekend.

Darts

The darts team have got some new signings this season which seems to be helping the die-hard players. By this time last season we were bottom of the table but not this year! Win, lose or draw, we all have a great time as it is "just a night out" after all.

Poker

The poker evenings are going from strength to strength. The numbers are increasing each week. When the guys and gals re-started after the Covid lock-down there were possibly six to eight players. Now there are sixteen players, or more, most weeks.

Indoor Bowls

There are sets of indoor bowls available to play for anyone interested. A few members have had many a game recently and I must admit it does look like a very enjoyable game.

If anyone is interested in playing regularly over the winter months please let Debbie know.

Debbie Hutchins,

Seward and Indoor Sports
